

Come and Journey With Me

Come to the song, come to the dance
Bring all you are, bring all you be
Come with your voice, come with your heart
Come and journey with me.
Come and journey with me.

Come let the sun fill up your eyes
Take the time to look around
And love, just love, and walk with each other
Come and journey with me.
Come and journey with me.

Come, and see...come and be
Be all you are, and all you can be
And leave all behind and calm on your mind
Come and journey with me.
Come and journey with me.

Come to the song, come to the dance
Bring all you are, bring all you be
Come with your voice, come with your heart
Come and journey with me.

Come and journey with me.
