

## **I Will Follow the Good Shepherd**

I will follow the good shepherd,  
I will follow where you will lead me,  
I will follow the good shepherd  
To green pastures where you will feed me.

### **Chorus:**

**I will follow the good shepherd,  
You call my name and I know your voice,  
Should I get lost, then your gentle call is heard,  
I will follow and rejoice.**

I will follow the good shepherd,  
To still waters where you restore me.  
I will follow the good shepherd,  
Your rod and staff they will comfort me.

### **Chorus:**

**I will follow the good shepherd  
You call my name and I know your voice  
Should I get lost, then your gentle call is heard  
I will follow and rejoice.**
