

Restore Us In Your Light

Creator, Heavenly Father
Blessed Trinity, Maker of Days
Heal us, restore and keep us
In Your wisdom, to learn Your ways.

Chorus:

**Your Spirit moves us into circles of gentleness.
Lord, keep us always in Your sight.
Turning and returning, bringing unity;
God of love, we are living in Your light.**

In Your Light (The darkness cannot keep us from Your light)
In Your Light (Our world is turning in Your light)

From the east, Your spirit moving
Winds of peace, the eagle's song
From the north, strength to Your people
Resilience to keep them strong.

Chorus

From the west, You guide us inward
Rain for the fields yielding to life.
From the south, we trust Your faithfulness
Warmth of the sun after winter's strife.

Chorus

Our lives (*From the east*) move like a circle
(*Winds of Your Spirit*)
Like the seasons (*From the north*) back home to You.
(*Send us your strength*)
In forgiveness (*From the west*) , we find the centre
(*Guiding us inward*)
As You restore us (*From the south*) to lives renewed.
(*Your faithfulness*)
