

Walking Toward Christmas

Take a walk to Christmas
Take a walk with me
Let's take a walk together
Toward the Christmas tree.

Take a walk to Christmas
Mary's on her way
Joseph walks beside her
To a special day.

Take a walk to Christmas
Come along with me
Let's walk along together
A stable house to see.

Take a walk to Christmas
Find the sparkling light
Let's take a walk together
Toward a star so bright.

When we get to Christmas

A gift of love we'll see

Jesus is the present

Christmas walks to me.

We follow on with Christmas

A bright star leads the way

For kings with gifts for Jesus

For us who come today.
